

TOKOMARU SCHOOL NOTICE
25 MAY 2018

School Cross Country 2018 – this will be held on **Thursday 31 May**.

We will be starting at 1.45pm from school, with the Year 1 – 3 students followed by the Year 4 – 8's. Students will need to wear suitable running shoes on the day (just like they have each day this term for our training) as we will be once again using the Stevensons property (Steam Engine Museum) – this means crossing the road and running around the paddocks, tracks etc.

Students selected to take part in the Cluster Cross Country will receive a notice after our school cross country has been run. The Cluster Cross Country will take place on Friday 15 June on the Stewart Family Farm (first race at 10am).

Please check our notices phone line and school Facebook page for cancellations for both the School and Cluster events.
