

2019 Back To School Stationery “Book Packs” and “Pen Packs”

Once again this year we are able to purchase our back to school stationery packs online.

Manawatu Office Products Depot will deliver the stationery packs to school just prior to Term 1 commencing.

Please note, for free shipping and assured on-time delivery, orders need to be completed online by 24 January 2018. Go to www.theschoolstore.co.nz, start typing TOK.. in the selector box until the school name appears, click on it & then click Select. From there you simply select your child’s room number, and add the pack to your basket.

There is a compulsory Book Pack which every student must purchase. This pack includes all exercise books, glue sticks and whiteboard markers that each child requires for the full year. There is also a separate Pen Pack which we recommended you purchase as the minimum requirement for each student. You have the ability to increase or decrease the number of items on the Pen Pack list if you wish to take advantage of the low pricing, or if you already have some items.

There is also an Optional Extras section where you can add extras such as a book bag, pencil case, ruler or Clear file. If you don’t want any extras (because you already have them), do not add items from this pack to your cart. Item pricing can be calculated by varying the line quantity in the optional packs (or see example below).
