

**Tokomaru Home & School** is running another Iceland Fundraiser this year. This is an opportunity for you to order some frozen goods. Feel free to take orders from friends and family as well, as these are often popular products. This year, there is a cookie dough fundraiser as well. You can order the normal Iceland products and/or the cookie dough (separate forms). Please note that they have to make up the dough after orders, so this takes 3 weeks to return whereas the rest of the items take 1 week.

Please return filled in forms with payment made to the **Tokomaru Home & School account: 03 1521 0005207 00** (or with cash) by **Friday 31<sup>st</sup> May**. We will then collate the forms on Monday 3<sup>rd</sup> June with a delivery date for goods on **Tuesday 11<sup>th</sup> June** (pies etc) and **25<sup>th</sup> June** (cookie dough).

Thank you for your continued support of our Home & School, which provides items and experiences for our school children.
