

9th June 2020

Dear Parents and Caregivers,

I am sure you were as pleased as I was to hear the Prime Minister's announcement about moving to Alert Level 1. For us, there will be no major changes to what we are doing and our school continues to be safe to attend, including any staff and children who are considered more vulnerable to COVID. We have a good cleaning routine in place, people who are sick are staying at home and we continue to encourage good hygiene practices.

We are supporting contact tracing by having QR code posters at our entrances – so if you haven't already downloaded the NZ COVID Tracer app the Ministry of Health's [NZ-COVID Tracer app page](#) has information to help you do that. Copies of our own Skool Loop App 'check in' are on display in the foyer, main door and all classroom entries as well. We will continue with our hygiene practices, and the reminders around hand washing.

What is changing is that in the coming weeks we will re-introduce Buddy Reading, Reading Around the Rooms, library visits, TECC visits and assemblies etc. We can now look forward to welcoming all of our school community back on site, and will only require visitors (not staff or parents) to sign in /out at the office.

We therefore look forward to seeing you very soon.

Smiles, Sonia Mudgway 😊
Principal
