

# ICAS COMPETITIONS AND ASSESSMENTS 2020

18 June 2000

Dear Parent/Caregiver,

The University of New South Wales is offering your child an opportunity to participate in the **International Competitions and Assessments for Schools (ICAS)**. ICAS has taken place annually in schools for over thirty years and is now in more than 20 countries.

Students sit the test under supervision and the results are compared with other children the same age and year group throughout New Zealand. They offer the opportunity to see just where your child sits in relation to their peers in each test. Students participating receive a certificate that reflects their achievement (Participation, Credit, Distinction or High Distinction). Top students in NZ in each year level for each test receive a medal at a ceremony in Wellington each year. This year all assessments are undertaken online.

**Participation is voluntary.** If you would like your child to participate this year, please indicate in the boxes below and return this sheet to the school office by **Friday 31 July** - payment due by **Friday 7 August**.
