

11th August 2020

To our community,

It has been a long 9 months with a large amount of behind the scenes work, throw in a little bit of Covid-19 to complicate the matter, but here we finally are. Tokomaru School Board of Trustees and Tokomaru Early Childhood Centre Committee, alongside the support, legal documentation and advice from the Ministry of Education, are pleased to announce the refurbishment of the Tokomaru School 'School House' for the relocation and new premises of Tokomaru Early Childhood Centre.

Tokomaru Early Childhood Centre will be working hard over the next 6-8 months to continue providing quality care at their current premises while liaising with the Horowhenua District Council, builders, architects, roading teams and much more to get the new centre underway. We are looking forward to a safer location for our tamariki and strengthening the relationship between Tokomaru School, Tokomaru Early Childhood Centre and the wider community.

If you have any services or skills that you would like to offer or that can support this exciting journey, please feel free to contact us.

Here's to another wonderful community driven initiative, that will provide quality education and care for the tamariki of Tokomaru and the wider community for many years to come. Bring on 2021!!
