

Thursday 12th August

Dear Parent/ Guardian

As part of our plan to fundraise for the Year 7/8 Camp this year, we are running a fantastic Whittaker's Fundraising Campaign.

We are pleased to announce that for this campaign we have Whittaker's Mixed Slab Boxes: Each fundraising pack contains 12 bars each of Peanut Slab and 6 each of Coconut, Hokey Pokey, Creamy Milk and Almond Gold (flavours subject to change depending on availability) for sale. At the sale price of \$2.00 for each bar, this represents excellent value to the buyer and all profits will go towards your child's camp fees. Each box sold raises \$25.20 towards your child's camp fees.

Whittaker's Fundraising Chocolate
SINCE 1896

The students will be given 1 box of Whittaker's Chocolate to be taken home when they return their form. *The students will be able to come and collect a 2nd box when all chocolates have been sold from their first box and the \$72 is returned.*

We suggest you sell to family members, colleagues in the workplace, at busy sports fields, friends or neighbours. If children are involved in selling, we recommend they should do so under adult supervision, especially if selling door to door.

We ask that any unsold Fundraising Packs and all money collected be returned to the school office by Tuesday 15th September. We urge you to sell the chocolate quickly. **However, if you are experiencing difficulties, please contact me as early as possible or return any remaining chocolates unsold with the collected funds as others may be looking for more Whittaker's fundraising bars to sell.**

If you are unable to participate in the campaign, please let me know before this Monday 16th May 2021

Fundraising activities such as this can potentially make a helpful contribution towards your child's camp fees. *The chocolates you and your family manage to sell will be directly attributed to your child's camp fees. Each box sold earns \$25.20 in fundraising.* This has been a successful fundraising campaign in the past and thank you for your support.
